

K.R. Lucas & Co.

Importing the finest architectural hardware since 1963

Why settle for glass when you can enjoy the finest Crystal?

Our range of lead Crystal knobs are superior
to glass knobs in every way.

You'll notice the difference as light reflects through
facets, creating a brilliant sparkling effect.

Constructed of solid brass for durability, they will
look beautiful for years to come.

Contact us to experience the grandeur of Crystal today.

Above: Satin chrome range.
